

Business Consulting Services

Nana's Be Hive provides affordable, professional business consulting services designed to help entrepreneurs, nonprofits, and community leaders launch, organize, and grow sustainable organizations. We specialize in supporting individuals and organizations with limited resources by providing guidance, structure, and strategic support that transforms ideas into action.

Whether you are starting a business, forming a nonprofit, building your brand, or strengthening your operations, Nana's Be Hive is committed to helping you move forward with confidence.

Michigan Business Start Up Services

Starting a business or nonprofit can feel overwhelming, but you do not have to navigate the process alone. Nana's Be Hive offers affordable startup support tailored to low-to-moderate income entrepreneurs, small businesses, and emerging nonprofit organizations.

Our services are designed to help clients establish a strong legal and operational foundation while remaining budget conscious.

We assist with:

- Business and nonprofit registration
- Basic organizational and operational documents
- Website and branding support
- Business planning assistance
- Funding readiness support
- Technology and social media setup

Business Formation & Registration Services

Business Registry Services

Registering your business or nonprofit is one of the first steps toward building credibility and protecting your organization legally. We assist clients with the preparation and submission of required startup documentation.

Services Include:

- Articles of Incorporation filing assistance
- Employer Identification Number (EIN) assistance
- Annual report filing support
- Registered agent services
- Charitable solicitation registration assistance

Organizational Development Services

Strong organizations require strong structure. Nana's Be Hive helps businesses and nonprofits establish the documents and systems needed for sustainability and professionalism.

Available Services:

- Generic bylaws creation
- Basic operating documents for for-profit organizations
- Basic operating documents for nonprofit organizations
- Operational plan formatting
- Business plan development
- 501(c)(3) formation assistance

Funding Readiness Support

Need funding to launch or grow your organization? Nana's Be Hive can help you identify funding opportunities and prepare foundational materials needed to pursue grants, donations, sponsorships, and other financial resources.

Please note: State tax registration services are not provided by Nana's Be Hive.
